VIA E-Mail

Dear NUTSEA Members:

I would like to take this opportunity to thank everyone that was involved in our recent meeting in beautiful Boise, Idaho. I hope all of you that attended enjoyed the conference and left feeling it was a success. I can't say enough to those that worked so diligently behind the scenes to show how much they are appreciated for helping put together the recent NUTSEA conference. Once again, I want to thank Northwest Lineman's College and the Idaho Statewide for hosting a great conference.

As you all know, our next meeting will held in San Antonio, Texas on August 21st – 24th, 2016. I am really excited about next year's NUTSEA conference. The Board of Directors and your elected officers are looking forward to next year's challenge to make this meeting another success. We hope to have as many members present as possible. Please return and spread the word so we can have a large number of attendees.

I also want to thank the Board and officers for all the hard work and effort they put into this past meeting. The evaluation forms were overwhelmingly positive as we reviewed them immediately after the conference while still in Boise.

I cannot put into words how lucky I am to be the next Chair of NUTSEA. Bobby Love was an outstanding Chair and will be a tough act to follow. I have been a member for over twenty five years and have met so many great people from within this organization. I am looking forward to the challenges that this office will bring to me. I also want you to know; that you as members, have an excellent Board and branch of officers that will continue to carry the torch. I have great respect and confidence in all these representatives. Donna Cavanaugh is an outstanding asset to our organization as our Administrative Assistant. We will do our best to serve NUTSEA as best we can. This is not a one man show. It is a team effort.

I would also like to take this opportunity to remind all the members that membership renewals are now due. The membership renewal fee is \$135 until November 30th and after that date the renewal fee increases to \$150 (includes a \$15 late fee). To renew you can go to our website at www.NUTSEA.org to pay and renew on-line or download a form and mail in your payment with the form and a check. If you know of someone who would like to apply for membership they can also apply on-line at the website or via mail. The fee to apply is \$135. If you have any questions regarding membership renewal or application contact our Administrative Assistant, Donna Cavanaugh or any of our Board members.

Once again I want to thank everyone for all they done. We are all looking forward to next year in Texas! Hope to see you there!

Sincerely,

Terry Adkins
Chairman, NUTSEA
