76TH NUTSEA CONFERENCE

Dear NUTSEA Member,

Along with the Kentucky Association of Electric Cooperatives, Big Rivers Electric Corporation and our member-owners, Jackson Purchase Energy Corporation, Kenergy Corp, and Meade County RECC, welcome you to the Bluegrass State for the 76th Annual NUTSEA Conference.

We are very proud to host this annual NUTSEA Conference and think you will find the conference very informative and entertaining. In addition, we hope you will take some time to enjoy Louisville, our state's largest city. This host city has so much to offer such as the Kentucky Derby Museum, the Louisville Slugger Museum and Factory, and the Urban Bourbon Trail, so please take some time to enjoy the many activities and our southern hospitality.

Again, we are glad you are here and hope you enjoy your time spent in Kentucky.

Sincerely,

Bob Berry
President and CEO
Big Rivers Electric Corporation

Are you ready for three days of learning, networking and fun in the Bluegrass State? The 76th NUTSEA conference is set in downtown Louisville, Kentucky on September 17-19, 2018, and is sure to provide you with a great educational experience and some fun along the way.

Thanks to Big Rivers Electric Corporation and its member owners — Meade County RECC, Jackson Purchase Energy Corporation and Kenergy Corporation, for hosting the 2018 NUTSEA conference.

You, as safety professionals, are tasked with providing training and knowledge that helps keep employees safe. The educational value of NUTSEA is second to none and the bonds we make between each other are equally important. I hold my friendships I have made over the years in the NUTSEA organization close to my heart.

As you prepare to make your travel arrangements, remember that NUTSEA has a Facebook page and a great website for you to keep up to date on conference details, as well as review past or future things that the NUTSEA board is working on.

I look forward to seeing you in Louisville in September. If there is anything that you may need, do not hesitate to contact me or one of your board members.

Sincerely,

Jim Ed Burris
2018 NUTSEA Chairman

SPEAKERS

Bob Berry

Re-joined the management team of Big Rivers Electric Corporation as Vice President of Production in July 2009. In February 2013, Bob was promoted to Chief Operating Officer and in July 2014, Bob was elected President and Chief Executive Officer. Big Rivers is a generation and transmission cooperative headquartered in Henderson, Kentucky, serving approximately 116,000 customers in 22 counties located in western Kentucky. Prior to re-joining Big Rivers Electric, Bob had been the General Manager of Western Kentucky Energy, a subsidiary of Louisville Gas and Electric/E.ON. Bob is a 37-year veteran of the Big Rivers system beginning his career at Big Rivers' Coleman

generating plant in January 1981, serving in variety of roles until joining Western Kentucky Energy in July 1998. He holds an associate degree in mechanical engineering and a bachelor's degree in business management. Bob is a board member of KAEC, National Renewables Cooperative Organization, ACES, Henderson Community College Foundation Board and Owensboro Greater Economic Development Corporation. Bob and his wife, Beth, are natives to the region, and they have three grown children and two granddaughters living in Louisville and Owensboro, Kentucky.

Corky Taylor

Currently serves as chairman of Kentucky Peerless Distilling Co., originally owned by his great-grandfather, Henry Kraver, from 1896-1917. After retiring from his position as president and CEO of BENCOR Inc., a financial services company, Corky decided to reignite the family business with the establishment

of grain to bottle bourbon distillery in downtown Louisville, Kentucky. Corky combines his family heritage and modern distilling to craft an authentic product and experience for his Peerless Patrons.

David Sarkus

For over 30 years, as a coach, consultant, and speaker, David Sarkus, MS, CSP, has moved and motivated thousands of workers to become safer, healthier and more productive. As a safety professional, he has won several honors, including a Best Practices Award for TRW Inc. His first of five books, "The Safety Coach®: Unleash the 7C's for World Class Safety Performance!" is a safety best seller. David provides a high-content performance

sprinkled with humor and impactful storytelling. As an author, speaker, consultant and executive coach, David's clients include some of the biggest and best run organizations in the world: General Electric, H.J. Heinz, Pfizer, and Shell—to name a few. As a Certified Safety Professional (CSP) with advanced degrees in both safety management and organizational psychology, David is prepared and passionate about helping you succeed.

Tammy R. Pickering

Owns T.R. Pickering & Associates, Inc., a training and communications consulting company that helps organizations develop employees' leadership and communication skills. She has more than 20 years' experience evaluating, developing and conducting training programs for employees in a variety of industries. Tammy develops and facilitates leadership and communication courses for the University of Southern Indiana's

Division of Outreach and Engagement, where she also serves as an assessor in the Management Diagnostic Center. Tammy has a Bachelor of Arts degree in English and a Master of Science degree in mass communication from the University of Southern Mississippi. A DDI certified trainer, she has also completed Simplex Levels 1 & 2 Facilitator Training and has facilitated strategic planning meetings for companies and not for profit organizations.

Tom Davis

Graduated from Miami (OH) University with a Bachelor of Science Degree in Business Administration in 1984. Tom has previous experience in the electric utility industry with American Electric Power during the 1980s and 1990s. Tom joined Big Rivers Electric Corporation and assumed the position of Vice President Administrative Services in September 2013. He retired from Big Rivers in the spring of 2018. He and his wife, Valerie,

enjoy travel and are currently mapping out a comprehensive trip of our nation's 59 National Parks. Tom does intend to stay connected to the business world and will be working with a small group of clients desiring to improve their Human Resource strategies and processes with a focus on Talent Management and Employee Engagement.

76TH ANNUAL NUTSEA CONFERENCE

Dr. Audry Gayle Rhodes

Born and raised in Daviess County in Western Kentucky. He graduated from Brescia University and the UK College of Medicine, and began a career in the U.S. Air Force. He completed residencies in family practice at Scott Air Force Base in Illinois and was chief resident while training at the University of Cincinnati's Occupational Medicine program. His last military assignment was as chief of occupational medicine at Robins AFB, the largest heavy industrial site in the state of Georgia.

After retiring from the Air Force he became Assistant Medical Director for Occupational Medicine at St. Mary's Medical Center in Evansville, Indiana. For the past 10 years, he has been Medical Director for Owensboro Health Occupational Medicine where he services an eight-county region. He is also medical director for several organizations including the City of Owensboro, Logan Aluminum in Russellville, Aleris Rolled Products in Hawesville, Big Rivers Electric in Henderson and Tyson in Sebree.

Keni Thomas

In the summer of 1993, Staff Sergeant Keni Thomas was deployed to Mogadishu, Somalia, with the 3rd Ranger Battalion as part of an elite special operations package called Task Force Ranger. Keni and his fellow rangers distinguished themselves in an 18-hour fire-fight that would later be recounted in the highly successful book and movie "Blackhawk Down." A powerful speaker, Keni captivates audiences from beginning to end as he tells the incredible story of extraordinary individuals and how they fought to bring each other home. Keni got out of the

Army to pursue his music career and now works full-time as an award-winning country music recording artist and songwriter in Nashville. He has been recognized by the President of the United States, by Congress and has been awarded the American Patriot Award. But Keni is most proud of his appointment as a national spokesman for the Special Operations Warrior Foundation. Keni is a graduate of the University of Florida, and the recipient of the bronze star for valor.

Bob Moss

Is the current Manager of Information Technology at Big Rivers Electric Corporation in Henderson, Kentucky. He has been with Big Rivers and the former Western Kentucky Energy/LGE group for a total of 32 years. He completed

associate's and bachelor's degrees at the University of Southern Indiana and a master's degree in Public Service Administration at the University of Evansville.

Hector Hernandez

As a veteran, an immigrant, an entrepreneur, a former law enforcement officer, a professional dog trainer and now a public speaker—Hernandez is the American Dream embodied. Through books, classes, public speaking, support of other businesses and of course, training, Hernandez continues to influence public policy and improve this world

by empowering people, disrupting organizational structures and providing expertise on interpersonal-relations issues. As a dog trainer, Hernandez seeks to work with both dog and owner by providing constructive insight, experience, and expertise and never turning a case away no matter the difficulty of the situation.

Cliff Meidl

Is a national motivational and safety speaker, spokesperson and ambassador in the safety industry. He continues to partner as a spokesperson with the OSHA Training Institute Education Center at CSUDH in addition to several statewide "Call 811 before you dig" centers. His personal story is a great reminder why accountability in culture is vital to reducing work place accidents. While working on a construction site at 20 years of age, Cliff jackhammered into three live

buried power lines and nearly lost his life and legs. He made a miraculous comeback battling through a strenuous rehabilitation process and ultimately went on to make two US Olympic Teams 10 years after his accident. Cliff received the ultimate honor—he was chosen as Team USA flag bearer at the 2000 Sydney, Australia Olympic Games. Cliff earned a Bachelor of Science from CSULB and an MBA from the University of Southern California.
